

Chi Alpha
Letter to the Leader
1 & 2 Thessalonians

Dear Lifegroup leader,

The good news of grace is woven throughout these letters. I pray that the scripture would be ignited and come to life like never before as you study. I believe that God's grace will take on a whole new meaning and understanding for you as the human condition and our need for redemption is revealed. There are so many whole Bible themes throughout these letters, and I hope and pray that your eyes will be opened as the artistry and mastery of the unity of the Bible is displayed. I pray that your understanding of the nature and character of God deepened. Let your affection for God and truth deepen and your trust in Him strengthen. I pray that this study will cause you to praise God, turn away from sin, and trust more firmly in His promises.

Love,
Candace Puleo
