*1 Peter*

Dear Lifegroup Leader,

I know as Peter is writing about hardships to these different crowds, that you yourself may be in hardship or maybe you are. This is the truth: If you have not faced hardship, then you will. Maybe right now you are a life-group leader and you are super-discouraged. Maybe this is your first time leading a life-group and it is not going how you pictured in your head it would go, in this time I want you to remember Jesus Christ...Hebrews 12:2 - Fixing our eyes on Jesus, the pioneer and perfecter of faith. For the joy set before him he endured the cross, scorning its shame, and sat down at the right hand of the throne of God. Jesus is the author of this all. He is writing your story this year, what will be your story?

Love,
