Letter to the Leader
Titus

Hey there lifegroup leader,

First I want to say, thanks for leading. We could not reach this campus the way we are without leaders like you. You give of your time and some freedoms in order for others to know Christ. As a ministry we are eternally grateful for that!

Second I want to say, you're making a difference! Every text. Every prayer. Every invite. Every lifegroup. Every one on one. Every action you're taking for others is planting seeds in the Kingdom of God. So even when you think you may not be doing this thing right, know that all of the investment is worth it and you are making a difference!

Lastly I want to say, keep going! Sometimes things get tough. Sometimes we want to quit. But always we should keep going! Let's always strive to be people that finish what we start and never grow weary in doing good. You've got this! Keep going!!!

Love,
